WDPA Golf Outing Smashes Attendance Record

The May 11, 2022 Wisconsin Dairy Products Association Golf Outing has set a new attendance record. 257 golfers will be participating at Northern Bay Golf Course, a 25% increase over last year's record attendance. To accommodate the large number of golfers, the outing will be divided into morning and afternoon shotgun starts, with all amenities divided between the two groups.

Northern Bay Golf Course is the only replica golf course in the Midwest. The replica holes are exact duplicates of:

- Augusta National 16th Hole
- Firestone Golf Course 16th Hole
- TPC at Sawgrass 17th Hole (Island Hole)
- Bay Hill 18th Hole
- Oakmont Golf Course 3rd Hole
- Oakland Hills Golf Course 5th Hole

Golfers have the unique experience of playing the exact holes that PGA pros play at these revered golf courses.

The complete golf package for this fun-filled day includes all of the following: 18 holes of golf, power golf carts, lunch, dinner, cheese reception, refreshments, and numerous prizes. The schedule of events is as follows:

A.M. Schedule

7:00 Registration/Complimentary Range
